I am attaching a recent letter from HPSCI Chairman Boland in which the Congressman asks for answers to a number of questions surrounding allegations by former CIA officer [redacted]. I would appreciate your help in crafting the response to Mr. Boland. It is my understanding that [redacted] may be the DO individual most aware of this matter.

Please note that Executive Registry has asked for a DCI response by 14 April. In order to meet that deadline, I'd appreciate receiving the DO response by COB Monday, 12 April. Thanks for your assistance.
